

America's Favorite Doors®

Premium Series

CUSTOM paint program

Color Blast™ allows over 1,500 Sherwin-Williams® color options to complement your home or building. Clopay's durable factory finish has been thoroughly tested and is backed by a five-year warranty.

- High-quality durable two-part paint system meets American Architectural Manufacturing Association 2604 standards.
- Touch-up paint available at local Sherwin-Williams stores.
- Solar reflective paint technology results in lower surface temperatures compared with standard paints.
- Five-year finish warranty against chipping, chalking and excessive fading.
- Available on residential steel Classic™, Gallery® and Modern Steel™ Collections and all commercial steel sectional doors.
